

Road Safety E-Resources

This table of road safety e-resources has been created by the Better by... team at Slough Borough Council to signpost children and parents to useful guidance, exercises, and videos that can be completed and watched at home for free. The resources are a great way for kids to utilise their time while in isolation by developing their knowledge of road safety and prepare them for when they get out and active again.

Name of Resource	Supplier	Website Link	Age Range	Description
Safer Journeys	Safer Steps	http://safersteps.co.uk/	Ages 7-11	Pedestrian training covering the green cross code, high visibility clothing and safe places to cross. Please contact betterby@slough.gov.uk for login details.
