Putting Smiles on Faces

## Smile Boxes

**Absolutely Together** puts smiles on the faces of families who have children with additional needs by providing them access to free leisure experiences. We can't do that right now, so we want to put smiles on your faces while you are at home. The kind people from Age Concern have donated some of their pre owned Board Game, Toys and Books to keep you entertained while you are indoors.

We have sorted these into boxes for under and over 8 years olds and want to get these Smile boxes to you for free. They can either be collected from our kart track in Maidenhead or if you have an SL post-code we can deliver them to you.

All you need to do is email [smiles@absolutely-group.c.uk](mailto:smiles@absolutely-group.c.uk) and we will do the rest. We only have a limited amount of boxes so please get back to us ASAP if your interested.
