16 September 2021

Dear Parent/Guardian

Welcome to a new school year. As with other years, we hope to give as many pupils as possible the opportunity to attend our Out of Hours Clubs. Arbour Vale School aims to provide high quality child care in a safe and secure environment where each child can take part in a range of fun and play activities. If you wish your son/daughter to attend any of our Out of Hours Clubs then please tick the sessions you would be interested in.

Due to the unusual times we are in, the clubs will currently be based solely at Arbour Vale School, ensuring the safety, well-being and good health of all. I am looking to expand the programme of activities and will let you know when these become available.

The attached list shows you the current choices available; please select which club(s) you wish your son/daughter to attend on the form and return the form for the attention of Dean Gray.

Places must be booked and paid for half termly in advance. If your son/daughter is successful in gaining a place, we will send home a registration form, and a letter confirming days accepted and payment details. Arbour Vale School is a cashless school so all payments must go through your Pay360 account or paid into our account at a local PayPoint.

Once we receive all the relevant paperwork and internal risk assessments are complete I will contact you to arrange an appropriate start date.

Yours sincerely

**Dean Gray**  
Business Development Manager
