

# PARENT WORKSHOP

## Maths & Literacy Training

Tuesday 19<sup>th</sup> October 9:30-10:30am

We are excited to announce that this is our first parent event to be hosted back on Arbour Vale School grounds. Please join us in the Main Hall.

### What will we cover?

- Information about the updated curriculum.
- What is a differentiated curriculum?
- How students of different abilities access the curriculum at Arbour Vale School.
- The ways in which the whole school join together through events and STEM projects.
- Information on how parents can be involved and help their child at home, by working as a team with the school to maximise their child's development.

### HOW TO ATTEND

Please complete the reply slip below and/or email [Lyuba.kisel@arbourvaleschool.org](mailto:Lyuba.kisel@arbourvaleschool.org) to confirm your attendance. Please note that this is the first parent workshop we have been able to host on the school grounds since the beginning of the pandemic. Places therefore need to be reserved so we can monitor numbers.

**We look forward to meeting with you!**

**I/we would like to attend the Maths & Literacy Parent Workshop**

Tuesday 19<sup>th</sup> October 9:30-10:30am at Arbour Vale School
