

PARENT WORKSHOP

Maths

Arbour Vale School

Monday 3rd October 9:30-10:30am

What will we cover?

- Information about the updated curriculum.
- What is a differentiated curriculum?
- How students of different abilities access the curriculum at Arbour Vale.
- The ways in which the whole school join together through events and STEM projects.
- Information on how parents can be involved and help their child at home, by working as a team with the school to maximise their child's learning.

HOW TO ATTEND

Please complete the reply slip below and/or email Manjula.Odedra@arbourvaleschool.org to confirm your attendance. Places therefore need to be reserved so we can monitor numbers.

We look forward to meeting with you!
